## **TRAVELING WITH NO ITINERARY:** Let your feet and serendipity work their magic

Stories

Roam aimlessly on the streets of the city with friends, and use rock-paperscissors to decide whether to turn left or right at crossroads. If you see a green light, go straight; if you see a red light, turn. You might come across a shop with awesome food or a coffee place hidden at the end of an alleyway. It's like opening a mystery box.
